

SUNDAY SCHOOL PROGRAM – FALL 2020

What to Expect

- There are 2 classes being offered
 - Toddler through 4th grade
 - 5th grade through 12th grade (High School graduates are welcome to attend)
- Registration is required this year. This simply means that you email, text, or call Lisa Stitt if your child is in 5th grade or above and that you email, text, or call Barb Master if your child is a Toddler through 4th grade. Again, this is required for your child to attend so we can properly get the classrooms ready for the expected number of students. This is a one-time communication stating that you expect your child to attend throughout the Sunday School year. We understand that your child may not attend each Sunday. Contact information for Lisa and Barb are at the bottom of this letter.
- Sunday School will only meet every other week. This is NOT Covid-related. This is due to low attendance numbers. Please follow the schedule provided at the bottom of this letter.
- **5th grade through 12th grade & graduates** meet in the Youth Room upstairs. Students from different households will be distanced 6ft from each other. Members of the same household will sit next to each other to help provide more room for distancing other students. Masks are to be worn; as your child enters the classroom, when your child gets up from their seat, and when he/she leaves the classroom. Masks may only be removed once seated at the proper 6ft. distance. Each student will be assigned their own chair. A Bible, pens/pencils, and paper will be designated for each individual student to use each week. The student is to leave their supplies on their designated chair for use each Sunday.
- **Toddlers through 4th grade** meet in the Children's Church classroom upstairs. Parents of toddlers and preschoolers will be required to stay with their child during class to assist their child. Students from different households will be distanced 6 ft. from each other at their

tables. Members of the same household will sit next to each other. Masks by the students do NOT have to be worn. The teacher will wear a mask to protect the students. Each student will have their own container with their name on it full of their own supplies that they will use each week exclusively.

- Outdoor lessons may occur as the teachers see fit.
- We are hoping to hold a monthly outdoor event to enhance the Sunday School program. You will be notified if / when these events are planned.
